

Side effects should be reported. If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. You can also report side effects directly via the Yellow Card Scheme at: yellowcard.mhra.gov.uk/ or search for MHRA Yellow Card in the Google Play or Apple App Store. Side effects should also be reported to Besins Healthcare (UK) Ltd, Drug Safety on 0203 862 0920 or email pharmacovigilance@besins-healthcare.com. By reporting side effects you can help provide more information on the safety of this medicine.

MAT-BHUK-PTM-0012 | March 2025.

The support and advice you need, when you need it most...

You have been prescribed Prometrium (progesterone) 400mg soft vaginal capsules as part of your treatment plan during pregnancy.

But because we know this journey isn't easy, we're also here to offer you guidance and support, whenever you're ready.

Something to hold on to...

This card has been produced and funded by **Besins Healthcare (UK) Ltd** and is intended for UK patients who have been prescribed Prometrium (progesterone) 400mg soft vaginal capsules.
